

# 2008 Recommended Bible Study

*The Beloved Disciple* explores one of the most intriguing relationships in history, between Jesus and His youngest apostle, and it traces the life of that young follower. John would certainly qualify as one of the most fascinating characters in Scripture. He referred to himself as the "disciple whom Jesus loved." Just as Christ took John on a lifelong journey into the depths of His love, He will do the same for you. This is an eleven-week, interactive study.
