

New Resources for Girls Ministries

Journey of the Blessed

This book will take YLM's through a discipleship journey based on the Beatitudes in Jesus' "Sermon on the Mount." Leaders will find the guide helpful (and personally edifying) as they usher YLM's into spiritual adulthood.

The Wish Your Heart Makes

This manuscript is the first book in a series of books that will explore the hidden spiritual truths for "daughters of the King" in the "princess movies" produced by Disney. Young Ladies Ministries, Joy Belles, and Bluebelles will enjoy exploring lessons gleaned from a biblical application to these secular movies. When you are a daughter of the King, you are a princess in His kingdom!

Getting Into Character

Based on the Hollywood "acting method," this book will lead YLM's and Joy Belles through a deep exploration of biblical characters. Using the "Method," the girls will be encouraged to "get into character," the character of Christ, as they emulate the Christlike characteristics of the various biblical personalities.

In All of This

Using material from the "Ask Emily" column, this book will serve as a guide through issues of Faith, Family, Friends, the Future, and the Frightening. God is not afraid of our questions. In the book of Job we read as Job questions God about his situation. We are also told that "in all of this" Job did not sin. Asking the questions is not a sin. We get into trouble when we do not draw close enough to look into the face of our heavenly Father and pour out our childlike questions before Him.
