

# Renewal '07

Almost 2,000 women experienced the Renewal '07 conference sponsored by the Church of God International Department of Women's Ministries October 12-14, 2007.

With the theme, "A Fresh Anointing," women gathered at the Hyatt Regency Riverfront Hotel in Jacksonville, Florida. Attendees came from all across the U.S. and Canada including Alaska and Hawaii. Others came from the Caribbean islands and various other countries, including Brazil.

Enthusiastic comments from registrants highlighted the diversity of presentation styles among the six featured speakers, all of whom delivered powerful messages and were well received. Two new features of the conference were a video-guided "Hour of Prayer" and a special session for pastors and pastors' wives entitled "P.S.: We Love You."

International Women's Ministries President DeRosa McGuire and the other four members of the Advisory Council—Peggy Culpepper, Paula Hill, Vicky Hagan, Carmelita Walker—were among the attendees enjoying the conference.
